Cockett Group, is one of the world's largest value-added resellers of marine fuels and petroleum products and services.

We are currently recruiting for a **Group Legal and Compliance Counsel** to be based in our **Dubai office**. The role is designed to ensure that the Group's transactions comply with applicable local and international laws and regulations, while actively helping to avoid possible legal risks and violations.

The duties and responsibilities for the role are listed below:

- Provide legal, risk management and business affairs advice on corporate and commercial matters
- Draft, negotiate and advise on internal policy documents and procedures as well as various local/commercial regulatory requirements
- Mitigate legal and commercial risk by improving awareness and understanding of legal impacts affecting the business
- Keeps abreast of changes in laws that may affect the Group's business, communicating these to relevant stakeholders
- Initiate compliance investigations and report independently to the Group Executive Committee
- Research and evaluate different risk factors regarding business decisions and operations
- Provide legal advice in contractual disputes and assist in resolving transactional queries / discrepancies

Our established values are at the core of the Group and are present in everything we do. They influence the way we work with our shareholders, working partners and with each other:-

Customer Focused

We are committed to listening and actively engaging with our customers

Excellence

We continually improve upon the knowledge, expertise and learning opportunities for our employees

Flexibility

We acknowledge and embrace change as essential and collaboration as necessary

Resourcefulness

We identify bespoke solutions to our customer's challenges and act creatively

Efficiency

We carefully and thoughtfully optimise our resources and costs

Sustainability

We seek every opportunity to develop our focus on environmental, social, and corporate governance

Required education & skills:

- Law degree from reputable and internationally recognised university
- English – Written & Verbal (Fluent)

Required experience:

- Minimum 3 years of relevant experience ideally within Maritime/Oil & Gas sectors.
- Experience in forensic investigation and/or compliance role will be preferred.
