Australia | China | Greece | Korea | Netherlands | Singapore | South Africa | Turkey | **UAE** | UK | USA

Cockett Group, established in 1979, is one of the world's largest value-added resellers of marine fuels and petroleum products and services, and is currently recruiting for a **Business Analyst** to be based in our **Dubai office**. Cockett Group offers quality assurance in line with ISO standards supported by comprehensive industry experience, a deep understanding of the international landscape and access to a global network of committed suppliers.

Responsibilities include:

- Assist management in preparing monthly estimates and forecasts.
- Perform daily, weekly, and monthly reviews and analysis of current processes using operational metrics and reports
- Conduct and coordinate financial, operational information and related research to support strategic and business planning within the various departments
- Interpret, evaluate, and interrelate financial data and develop integrated business analysis and projections for incorporation into strategic decision-making
- Suggest changes to senior management using analytics to support your recommendations. Actively participate in the implementation of approved changes
- Create informative, actionable reporting that highlights relevant business trends and opportunities for improvement

Our established values are at the core of the Group and are present in everything we do. They influence the way we work with our shareholders, working partners and with each other:-

Customer Focused

We are committed to listening and actively engaging with our customers

Excellence

We continually improve upon the knowledge, expertise and learning opportunities for our employees

Flexibility

We acknowledge and embrace change as essential and collaboration as necessary

Resourcefulness

We identify bespoke solutions to our customer's challenges and act creatively

Efficiency

We carefully and thoughtfully optimise our resources and costs

Required skills:

- Good commercial and business awareness with strong attention to detail, problem-solving skills, and an investigative nature.
- Ability to work independently and understand and analyse financial data and systems, conduct research and present findings and appropriate solutions for the business.
- Knowledge and work experience on Advanced Excel is vital for this role.
- Excellent written and verbal communication skills in English essential

In return Cockett Group offers:

- Good remuneration and benefits package to be discussed upon interview
- International and challenging career
